

Reelshot - The Real-time Video Editing App.

IOS SWIFT VIDEO DEVELOPER

Freelance, part-time or full-time negotiable.

Salary: £2k - £6K per month

Featured Worldwide by Apple under "Apps We Love Right Now", "This Weeks Favourites" & "Apps You Can't Miss" with 100's of positive reviews.

Our mission is to make content creation as frictionless as possible with Reelshot and our other apps in the Reeltime family.

We'd love you to join the team as we continue to build an and advanced and outstanding camera and video editing app.

There's plenty of truly exciting work to get stuck into!

DEVELOPER REQUIREMENTS:

- Swift Essential.
- Mobile Video Experience.
- AV Foundation.
- CV Library.
- Passionate about the Video space!
- Exceptional attention to detail.
- Successfully launched into the Appstore.
- We're open to remote and freelancers.

We're looking to establish a long-term relationship with a developer who can continue to drive Reelshot forward inline with our vision for the future where we have some far more unique, simple yet complex features validated and planned.

You will work closely with our founder/desginers and existing superb development team.

Equity will be offered depending on commitment and experience.

Interested?

Please say Hi and tell us a little bit about yourself and why this might be for you.

Let us know if you have any questions as we'd love to hear from you!

Check out "Reelshot" in the appstore.

Based in Surrey / London (or remote!)

Thank you! And we look forward to hearing from you.

NO RECRUITERS / AGENCIES PLEASE - Unless you have fantastic experience with video....
